

Dancing with the Local Stars – Burke County is dedicated to fostering transparency and integrity in all aspects of the show. The mission of DWTLs-BC is to unite the community for a memorable evening of live entertainment, raising funds for local charities chosen by each star. Through the performing arts and giving, we aim to create a positive impact in our community. All profits are distributed according to the following percentages.

Profits (Total Revenue minus Expenses):

- 15% to Director
- 20% to FC Presents (Overhead for next year's show)
- 6.5% to each star's charity (total of 65%)
 - Any money directly in star's donation box is added to that star's charity grand total and not the show revenue

If you have any questions, please reach out to info@fc-presents.com. We thank you for trusting in our team and look forward to bringing you a great production.
