The mission of DWTLs-BC is to unite the community for a memorable evening of live entertainment, raising funds for local charities chosen by each star. Through the performing arts and giving, we aim to create a positive impact in our community.

About

FC Presents is the hosting company and has hosted Glow the Night 5k, Burke's Got Talent, Night of Rhythm, Under the Big Top, Burke Color Run, and Behind the Ball Volleyball events.

In 2024, we took over DWTBS as Dancing with the Local Stars - Burke County to restore the show's true mission of giving back to the community. This is an annual production put on at the CoMMA Performing Arts Center. The show features "local celebrities" titled as Stars who each dance for the selected charity. The stars spend countless hours learning and perfecting their dance to hit the big stage. Each star commits their time to raise as much money for the chosen charities.

We are reaching out to ask for your support for this year's show. Your support goes towards the stars' fundraising goal and total show revenue which is then distributed as detailed below.

Profit Distribution

Once all expenses are paid, we distribute the profits as listed below:

- 15% to Director
- 35% to FC Presents
- 25% to Blue Ridge Community Action
- 25% to A Caring Solution
